EXPLANATORY NOTES

Item 3 – Adoption of the Remuneration Report

The Remuneration Report contained in the 2016 Annual Report is required to be considered by shareholders in accordance with section 250R of the Corporations Act at the Annual General Meeting.

The Remuneration Report, which details Wesfarmers' policy on the remuneration of non-executive directors, executive directors and senior executives, is set out on pages 71 to 84 of the 2016 Annual Report and is also available from the Wesfarmers' website at www.wesfarmers.com.au

The Board is committed to an executive remuneration framework that is focused on driving a performance culture and linking executive pay to the achievement of the Group's strategy and business objectives and, ultimately, generating satisfactory returns for shareholders. The Remuneration Report explains how Wesfarmers' performance for the 2016 financial year has driven remuneration outcomes for our senior executives.

Highlights

Fixed pay: The Board determined that no increase would be made to the fixed remuneration for the Group Managing Director for the 2016 financial year. Mr Goyder has not received an increase in his fixed remuneration since October 2011.

Following the organisational restructure and change in role for certain key management personnel, the remuneration for these new roles was reviewed and consequently a number of material changes to fixed remuneration were made, reflecting the significant increases in both role size and responsibility. This review considered the market rates for comparable roles and the activity in the market for key talent over the past year (particularly as major competitors attempted to replace senior executives).

Annual incentive: Wesfarmers' annual incentive plan rewards performance against measures (both financial and non-financial) developed for the senior executives based upon their areas of responsibility. Following the impairments in Curragh and Target, the annual incentive plan delivered below target awards for the Group Managing Director and Finance Director. The strong performance of Home Improvement, Coles, Kmart and Officeworks resulted in at or above target awards for the executives of those divisions. Despite the more difficult conditions faced by our Industrials division, the annual incentive of the Industrials Managing Director was at target.

Long-term incentive: As neither the TSR performance condition nor ROE performance condition were met over the four-year measurement period of the 2012 Wesfarmers Long Term Incentive Plan (**WLTI**) (1 July 2012 to 30 June 2016), none of the performance rights vested into shares and all lapsed.

Further detail on the link between remuneration outcomes and Wesfarmers' performance for the 2016 financial year are set out in the Remuneration Report. The audited remuneration table can be found on page 78 of the 2016 Annual Report.

The vote on the adoption of the Remuneration Report is advisory only and is not binding.

The Board recommends that shareholders vote in favour of the Remuneration Report.

Items 4 and 5 – Grant of Performance Rights to the Executive Directors

The Board believes that it is in shareholders' interests to provide the Group Managing Director and the Finance Director with equity-based incentives to ensure that there is alignment between satisfactory returns for shareholders and the rewards for the executive directors.

The long-term incentive component of remuneration has, since 2012, taken the form of an annual grant of performance rights under the WLTIP. The performance rights to be granted this year will be judged against Wesfarmers' Total Shareholder Return (TSR) compared to the S&P/ASX 50 Index over a four-year performance period. The grant of performance rights vests on a sliding scale, commencing at 50 per cent vesting for median performance and increasing on a straight-line basis to full vesting for performance at or above the 75th percentile of comparators.

While previous grants have also measured growth in Return on Equity (ROE) against the same comparator group, it was not felt appropriate to use that measure for this grant given the impairment charges taken against Target and Curragh this year and the material effect these have had on FY2016 ROE (which would be the starting point from when performance would be measured).

Approvals sought

Shareholders are asked to approve a 2016 WLTIP allocation of performance rights to:

- the Group Managing Director, Mr Richard Goyder AO; and
- the Finance Director, Mr Terry Bowen.

It is the Board's intention to leave the WLTIP awards on foot to be tested at the end of the four-year performance period, in the event of cessation of employment in certain circumstances. However, to maintain flexibility, approval is sought under section 200E of the Corporations Act for the pro-rata vesting of performance rights to each of Mr Goyder and Mr Bowen in the event of cessation of their respective employment, in appropriate circumstances.

EXPLANATORY NOTES

Key terms

The key terms of the grant of performance rights proposed to be made to each of Mr Goyder and Mr Bowen in respect of the 2016 WLTIP awards are set out below.

Number allocated	<p>The proposed 2016 WLTIP award for:</p> <ul style="list-style-type: none">– Mr Goyder is a maximum of 81,522 performance rights; and– Mr Bowen is a maximum of 43,016 performance rights. <p>This represents the long-term incentive component of each of their respective remuneration packages.</p> <p>The WLTIP awards are based on a percentage of fixed remuneration as at 30 June 2016. The maximum number of rights has been calculated based on one times fixed remuneration for both Mr Goyder and Mr Bowen. This percentage has been determined by the Board by reference to the executive's performance and market position. In both cases, the award is within the range set by the Board for WLTIP allocations. The remuneration value determined above was then divided by \$43.00 being the 10 day volume weighted average price of Wesfarmers shares over the period immediately following the 2016 results announcement in August, i.e., 25 August to 7 September 2016.</p>
Date of grant	<p>If shareholder approval is obtained then it is intended that the rights will be granted to Mr Goyder and Mr Bowen by the end of November 2016 in accordance with the normal timeframe for allocation under the WLTIP and in any event they will be granted within 12 months of receiving shareholder approval.</p>
Performance hurdle	<p>The rights are subject to a performance hurdle that measures Wesfarmers' TSR performance relative to companies in the S&P/ASX 50 Index. Wesfarmers' TSR must exceed the 50th percentile of the S&P/ASX 50 Index, at which point 50 per cent of the applicable rights will vest. An additional two per cent of rights will vest for every one percentile increase above the 50th percentile up to the 75th percentile, at which point all of the rights subject to this condition will vest.</p>
Performance period and vesting	<p>The rights are subject to a four-year performance period, commencing 1 July 2016 and tested following 30 June 2020.</p> <p>Any rights which do not vest following testing of the performance hurdle at the end of the performance period will lapse.</p>

Allocation of shares	<p>Following testing of the performance hurdle and determination of the vesting level of the rights, Mr Goyder and Mr Bowen may elect when to exercise any vested performance rights, up to a maximum of 15 years from the initial grant date. Upon exercise, the Board may elect to either:</p> <ul style="list-style-type: none"> – allocate one fully paid ordinary share in Wesfarmers in relation to each right which vests; or – make a cash payment of an amount equivalent to the value of one fully paid ordinary share in Wesfarmers in full satisfaction of the performance right (after deduction of any amount required by law to be withheld) in relation to each right which vests. <p>If Mr Goyder or Mr Bowen has not exercised their rights by the 15th anniversary of the performance rights being granted, the rights will automatically be exercised.</p> <p>It is the present intention of the Board that no new shares will be issued to satisfy Wesfarmers' obligation to allocate shares on vesting of the rights, but rather to acquire such shares on market.</p>
Trading restrictions	<p>Shares allocated on vesting and subsequent exercise of the rights will not be subject to any additional trading restrictions on dealing.</p>
Clawback provision	<p>The terms of the WLTIP contain a mechanism for the Board to clawback or adjust any incentive awards which vest (or may vest) as a result of a material misstatement in, or omission from, the financial statements or otherwise as a result of fraud, dishonesty or breach of obligations. The Board also has discretion to adjust any conditions applicable to any unvested WLTIP awards, if considered appropriate.</p>
Price payable for rights	<p>No amount will be payable in respect of the allocation, or on the vesting, of the rights.</p>
Cessation of employment	<p>If either Mr Goyder or Mr Bowen ceases employment with Wesfarmers before the end of the performance period, their entitlement to the rights (if any) will depend on the circumstances of cessation. The Board has full discretion to determine the treatment of the rights, including that some or all rights will lapse, remain on foot or be partially paid out.</p> <p>In accordance with the rules of the WLTIP, in limited circumstances including ill health, death, redundancy or other circumstances approved by the Board, the rights allocated to Mr Goyder and Mr Bowen may be settled in shares or cash, at the discretion of the Board, either at the time of ceasing employment or at the end of the four-year performance period.</p>

EXPLANATORY NOTES

Other required information – ASX Listing Rules

Approval is being sought from shareholders for all purposes, including for the purposes of ASX Listing Rule 10.14.

Mr Goyder and Mr Bowen are the only directors of Wesfarmers entitled to participate in the WLTP.

Approvals were sought for the allocation of performance rights to the two executive directors under the 2015 WLTP at the 2015 Annual General Meeting. In accordance with those approvals, 87,220 performance rights were allocated to Mr Goyder and 69,657 performance rights were allocated to Mr Bowen on 13 November 2015.

Other required information – section 200E Corporations Act

The value of the rights that may vest on cessation of employment cannot currently be ascertained.

The circumstances that may affect the calculation of this value include:

- the performance against the relative TSR performance hurdle at the time employment ceases;
- the part of the performance period that has elapsed at the time employment ceases; and
- the number of rights that lapse on cessation of employment.

The Board believes that an equity-based long-term incentive is an important component of executive remuneration, to ensure that an appropriate part of executive reward is linked to generating satisfactory long-term returns for shareholders.

Approval is being sought from shareholders as Wesfarmers elects to provide the long-term incentive in the form of equity. If shareholders do not approve the grant of performance rights as a long-term incentive for the executive directors, the proposed grant of performance rights to Mr Goyder and Mr Bowen will not proceed. In that circumstance, issues may arise with the competitiveness of the executive directors' total remuneration package and alignment of rewards with other senior executives in the Group. The Board would then need to consider alternative remuneration arrangements for Mr Goyder and Mr Bowen which are consistent with Wesfarmers' remuneration principles, including providing an equivalent cash long-term incentive subject to the same performance conditions and performance period as described above.

The Board (other than Mr Goyder and Mr Bowen, because of their respective interests) unanimously recommends that shareholders vote in favour of Items 4 and 5.

YOUR VOTE IS IMPORTANT

For your vote or proxy appointment to be effective it must be received by 1:00pm (Perth time) on Tuesday, 8 November 2016

Voting Form - Annual General Meeting

How to Complete the Form:

STEP 1 - INDICATE HOW YOU WILL CAST YOUR VOTE

Select one option only. You can either cast a vote directly or you can appoint a proxy to vote on your behalf at the Meeting.

Cast Your Vote Directly - Box A

If you wish to cast your vote directly, please mark box A.

OR

Appoint a Proxy to Vote on Your Behalf - Box B

Please refer to the instructions below on how to complete box B.

Appointing the Chairman of the Meeting as proxy

If you wish to appoint the Chairman of the Meeting as your proxy, please mark box B, as instructed in Step 1 overleaf.

Appointing an individual or body corporate as proxy

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the full name of that individual or body corporate in the space provided. If you leave this section blank, or your named proxy does not attend the Meeting, the Chairman of the Meeting will be your proxy. Do not write the name of the issuer company, Wesfarmers Limited, or the registered shareholder in the space.

Appointing a second proxy

You are entitled to appoint up to two proxies to attend the Meeting and vote on a poll. If you appoint two proxies, write both names and the percentage of votes or number of shares for each proxy in the space provided, otherwise each proxy will be able to exercise half your votes. You may split this information out into two Forms if you are completing a paper Form, but please return both Forms in the same envelope if you do this. Fractions of votes will be disregarded.

A proxy need not be a shareholder of the company. If you have appointed a proxy and do not mark any of the boxes on a given item, your proxy may vote as he or she chooses in respect of that item.

STEP 2 - HOW TO VOTE ON ITEMS OF BUSINESS

You are able to cast your direct vote or direct your proxy how to vote by placing a mark in one of the three boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes.

If you mark more than one box on an item without specifying the portion of your voting rights to be voted on each, then your vote on that item will be invalid.

If you cast your direct vote and you do not mark any of the boxes on a given item, you will be deemed to have not voted on that item.

STEP 3 - SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the shareholder must sign.

Joint Holding: Where the holding is in more than one name, all of the shareholders must sign.
