Members entitled to attend and vote at the meeting

In accordance with the company's Constitution and the Corporations Regulations 2001 (Cth), the Board has determined that the members entitled to attend and vote at the Meeting will be those persons who are recorded in the register of members at 2:00 pm (Perth time) on Sunday, 8 November 2009.

Direct voting

What is "direct voting"?

This year, for the first time, the company is implementing the provision in its Constitution to allow shareholders to lodge a 'direct vote'. Direct voting allows members to lodge their votes directly with the company as an alternative to voting at the Meeting, in person or by proxy. Direct voting gives members the flexibility to vote even where they may not be able to attend the Meeting or may not wish to appoint a proxy to attend the Meeting in their place.

The Board of Wesfarmers Limited has adopted regulations to govern the form, method and timing of giving a direct vote for it to be valid. By submitting a direct vote, members agree to be bound by the direct voting regulations adopted by the Board.

A copy of the direct voting regulations is available from the Wesfarmers website at www.wesfarmers.com.au or can be requested from the Company Secretariat (info@wesfarmers.com.au).

Lodging a direct vote

A direct vote can be lodged by completing and returning the enclosed Voting Form.

Please complete only the **direct voting section** of the Form. For further information on lodging a direct vote, please refer to the instructions on the Form.

A member who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes that each proxy is appointed to exercise. If the appointment does not specify the proportion or number of the member's voting rights, each proxy may exercise half the votes.

Item 3 – Adoption of Remuneration Report

The Remuneration Report is required to be considered by shareholders in accordance with section 250R of the Corporations Act 2001 (Cth).

During the 2009 financial year, the Wesfarmers Board worked closely with management to conduct a complete review of the senior executive remuneration structure and plans in light of the 'no' vote on the 2008 Remuneration Report. It has also redesigned this year's Report with the aim of increasing transparency and making it easier to read and understand.

Given the challenging economic environment and a high level of public interest in the issue of executive remuneration, the Board and management have responded by taking appropriate steps including:

- conducting a detailed review of the long-term incentive metric. In the context of the acquisition of the Coles group and our focus on improving the performance of those businesses, it has been determined that growth in return on equity remains the most relevant primary financial metric to measure Wesfarmers' long-term success and drive enhanced shareholder returns, and will be the basis for senior executive long-term incentives, noting that the Coles senior executive special purpose long-term incentive plan remains unchanged with specific targets around the five year turnaround plan;
- disclosing the minimum return on equity hurdle applicable to the Group Managing Director's long-term incentive plan, which remains unchanged at 12.5 per cent, notwithstanding the material effect of the capital raising on this target;
- implementing a freeze on fixed remuneration increases for senior executives and fees for non-executive directors for the 2010 financial year;

- announcing that annual incentive payments for the 2009 financial year to executive directors and senior executives were limited to payments in relation to achievement of financial and divisional targets only, with no payment for the individual performance objectives element, resulting in a reduction of between 20 and 40 per cent of the maximum annual incentive payable;
- introducing mandatory deferral of above-target annual incentive payments into shares for senior executives for the 2010 financial year, with trading restrictions and forfeiture conditions that will apply to these shares; and
- closing the retention plan in early 2009 (which provided for a benefit on termination), with no new executives participating in this programme in the future.

We have altered the format of the Report to make as clear as possible for you the core aims which underpin the remuneration policies and practices, how they are aligned with the corporate objectives and performance and how the performance for the 2009 financial year has resulted in particular remuneration outcomes.

The Remuneration Snapshot at the start of the Report provides an overview of key information, with the required statutory audited information included in the detailed Remuneration Report. The audited remuneration table can be found on page 171 of the Annual Report.

Wesfarmers' remuneration framework remains focused on maintaining a performance culture by driving and rewarding executive performance for the achievement of the company's short-term and long-term strategy and business objectives and, ultimately, growth in shareholder wealth. The presentation of these details this year is designed to assist your understanding of the remuneration policy objectives and outcomes.

The Remuneration Report, which details the company's policy on the remuneration of non-executive directors, executive directors and key management personnel, is set out on pages 154 to 173 of the company's 2009 Annual Report.

The Remuneration Report is also available on the company's website (www.wesfarmers.com.au).

The vote on the adoption of the Remuneration Report is advisory only and does not bind the directors or the company.

The Board commends the Remuneration Report to shareholders.
