SCHEDULE 1

"Change of Control" means the occurrence of any one of the following:

- (a) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Issuer and its subsidiaries taken as a whole to any person other than to the Issuer or one of its subsidiaries;
- (b) the completion of any transaction (including without limitation, any merger or consolidation) the result of which is that any person other than the Issuer or one of its subsidiaries becomes the beneficial owner, directly or indirectly, or more than 50% of the then outstanding share capital of the Issuer, measured by voting power rather than number of shares;
- (c) the Issuer consolidates with, or merges with or into, any person, or any person consolidates with, or merges with or into, the Issuer, in any such event pursuant to a transaction in which any of the outstanding share capital of the Issuer or such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Issuer outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, at least a majority of the share capital of the surviving person immediately after giving effect to such transaction;
- (d) the first day on which the majority of the members of the board of directors of the Issuer cease to be directors who were either a member of the board of directors on the date of this Pricing Supplement or were nominated for election or elected to the board of directors with the approval of a majority of the directors who were members of the board of directors at the time of such nomination or election; or
- (e) the liquidation or dissolution of the Issuer.

"Change of Control Triggering Event" occurs if both S&P and Moody's (including, if applicable, a Substitute Rating Agency) downgrade the rating of the Notes below BBB- (in the case of S&P) and Baa3 (in the case of Moody's) on any date during the period (the **"Trigger Period"**) commencing 60 days prior to the first public announcement by the Issuer of any Change of Control (or pending Change of Control) and ending 60 days following completion of such Change of Control but continuing for so long as either of S&P and Moody's (including, if applicable, a Substitute Rating Agency) has publicly announced that it is considering a possible ratings change. No Change of Control Triggering Event will be deemed to have occurred in connection with any particular Change of Control unless and until such Change of Control has actually been completed.

"Moody's" means Moody's Investors Service Pty Limited.

"Substitute Rating Agency" means a rating agency agreed between the Issuer and the Holders whose aggregate Outstanding Principal Amount of Notes is equal to or greater than 50% of the Outstanding Principal Amount of all Notes, to provide a rating of the Notes in the event that either S&P or Moody's, or a Substitute Rating Agency, has ceased to provide a rating of the Notes for any reason. In agreeing the Substitute Rating Agency, the Issuer and relevant Holders must also determine, by agreement, which ratings of that Substitute Rating Agency are equivalent to the ratings of Moody's and S&P.

"S&P" means Standard & Poor's (Australia) Pty Limited.
